

PEUGEOT 205

GT

If the 1.9 version has more performance than you need, the 1.6 is a fraction less demanding. But only a fraction.

The fuel-injected power unit can rocket the car to 62mph from a standing start in a decimal point over 9 seconds. Top speed is still something for the competitive track, at 121.7mph. The tyres, on 14in. alloy wheels, still bite at the road for breathtaking cornering power. Deep bodyside mouldings emphasise the racy lines of the 3-door body.

Inside, the 1.6 GTI is as glamorous as any quality saloon but with sizzling performance on top. Hip-hugging front seats are covered in Quartet velour. The floor and load area are carpeted. This car is as quiet as it is quick, quiet enough for the 4-speaker audio installation to be appreciated to the full. For 1991 the specification includes remote operation of the central locking and a lights on warning buzzer. Power-assisted steering, electric front windows and ABS are extra-cost options, along with metallic, pearlescent or black paint finish.

The 1.9 205 GTI is excitement on wheels: unique 15-inch alloy wheels, with low profile 185/55 VR tyres to put down the power of the Bosch L-Jetronic fuel-injected engine. Use the close-ratio 5-speed box to catapult yourself from 0-62mph in 7.8 seconds: keep your foot down where it's legal, for an ultimate 127mph. Disc brakes all round, ventilated at the front end, reduce the speed progressively and effectively.

The external styling is a package of pure performance. A deep front air dam with twin halogen driving lamps. Muscular rear quarters, like an athlete waiting for the gun.

But this 205 is more than raw power. Slide quietly through city centre traffic in supreme comfort. Seats are sculptured up front, split/folding at the back, Quartet velour and leather trimmed. Electric front windows and for 1991 remote central locking come as standard. Power-assisted steering, ABS and a 3-way catalytic converter are extra cost options, along with metallic, pearlescent or black paint finish.

SPECIFICATIONS	GTI 1.6	GTI 1.9	GTI 1.9 Catalytic
ENGINE			
Cubic capacity (cc)	1580	1905	
Number of cylinders	4 in line, Alloy block & head, 5 bearing crankshaft		
Camshaft/valves	SOHC 8 valves		
Bore/stroke mm	83/73	83/88	
Max. power BHP/PS-DIN/KW CEE	115/84.5	130/95.6	122/88
atrpm	6250	6000	6000
Max. torque MKG/DIN	13.6	16.8	15.6
atrpm	4000	4750	3000
Compression ratio	9.8:1	9.6:1	9.2:1
Fuel injection	Bosch L-Jetronic		
Transistorised breakerless ignition	●		
3 way catalytic converter			●
No-maintenance battery	12V/29Ah		
Cooling system	Sealed: electrically operated fan		
Unloaded fuel capability	95/97 Ron	Refer to Dealer	95/97 Ron
TRANSMISSION			
5 speed synchromesh	●		
Single dry plate clutch	●		
STEERING			
	Rack and pinion		
Power assistance	X		
Turning circle (between kerbs)	10.3m (33ft. 9½in.)		
SUSPENSION			
Front:	Independent MacPherson struts: anti-roll bar, hydraulic shock absorbers		
Rear:	Independent trailing arms, transverse torsion bars, anti-roll bar, hydraulic shock absorbers		
BRAKES			
Front:	Split circuit with pressure limiting valve		
	Ventilated disc		
Rear:	Drum	Disc	
Servo assistance	●		
2-sensor electronic ABS	X	X	X
DIMENSIONS, mm			
Overall length	3705		
Overall width	1585		
Overall height	1350		
Wheelbase	2420	2425	
WEIGHT, Kg			
Gross vehicle weight	1285	1300	
Kerb weight	850	880	
Gross train weight	2075	2100	
Max. towing weight (braked trailer)	800	800	
Max. tow ball weight	50	50	
BOOT CAPACITY, DM³ (VDA method)			
Rear seat up	2160DM³ (76 cu ft)		
One rear seat folded	3900DM³ (13.76 cu ft)		
Both rear seats folded	5640DM³ (19.9 cu ft)		
FUEL TANK CAPACITY			
	50 litres (11 gallons)		
TYRE SIZE	185/60 HR14	185/55 VR15	
INSTRUMENTS			
Speedometer with odometer & trip recorder	●		
Fuel & water temperature gauges	●		
Tachometer	●		
Oil pressure/temperature gauges	●		
FASCIA WARNING SIGNALS (lights/buzzer)			
Lights on warning buzzer	●		
Side lamps, dipped/main beam headlamps	●		
Handbrake on/low brake fluid level/brake pad wear	●		
Low fuel level	●		
Oil temperature/low oil pressure	●		
Water temperature/low coolant level	●

All performance figures are Peugeot test figures obtained under test conditions and the fuel consumption figures are those recorded by the Department of Transport. Due to manufacturing tolerances and differing weather conditions, it may not be possible to achieve the figures indicated on every vehicle manufactured. Indications of top speed should not be taken as an invitation to exceed any speed limit.

For details of Diplomatic & Export Sales contact Peugeot Talbot Exports, Devonshire House, 74-75 Piccadilly, London W1. Tel: 071-499 5533. It is our policy to improve our vehicles continually in every way and we reserve the right to alter specifications at anytime without notice. So whilst the details set out in this literature were correct at the time of going to press, we are unable to guarantee that no changes in specification have subsequently taken place. Before ordering a vehicle, therefore, you should check with your Peugeot Talbot dealer whether the specification has altered. Issued by Marketing Peugeot Talbot Motor Company Limited, Alderbrook House, P.O. Box 222 Alderbrook Lane, Coventry. Sept 1993.
